What is a party without chocolate cake. She is 3.75in and `embedded` in the cake. I love pink and chocolate and I think she is dear.

Celebrate

This is a fun, party piece, lots of color and fun. His colors are really nice and sometimes that gets lost in the photography. He is 3.75 in and the bird is Mohair.

~Flame~ is a very loud dragon, his fur is black and red and he is orange. He is 3.75 inches.

~Melissa Mouse~ is a pretty piece A butter colored mouse in a very light minty green dress. She is 2.75 inches

Lastly, there us ~Tuff Knutts~ for Jess he is a monster but larger than the original pieces. He measure about 4 inches.

There is a story about why he came into being and I will reveal that in the ~Doodle~ Club Newsletter. He has a special role in life.

I hope you enjoy these pieces. I am just off to my eldest sons graduation from the Army this week and I am sooooo excited I have not seen him since Feb .
