`Jelly Bean` is a limited edition of 30 exclusive to `Fairytale`s`. To order contact Fairytale`s at RJTales@aol.com

Please note the little yellow duck has beaded `swingy` legs—not jointed. He is very cute though.

Shopatron

I am adding to the website next week—an online store—supported by Shopatron. You need to understand that this website store means that you can buy your product by simply pressing the purchase button—through the Shopatron system. The piece will then be sent to you by a store that has it in stock (NOT ME!!!!). It is a system used by many other manufacturers such as Steiff, Gund and one of my favorite puppet companies. You cannot choose which store sends to you (it should be the nearest that has it in stock) so if you have a store you always buy from you may prefer to continue to purchase through them.

If you do not have a local store then you will love this method and perhaps through it you will find some of our great retailers.

If you purchase from the UK or Germany it will be shipped to you by an American store because at this time we only have American Shopatron—but if it works well we will make the same arrangement in Europe as they are just putting together a UK Shopatron. To avoid customs and shipping you probably prefer to buy from your European stores.

There will be a special competition to celebrate the launch on the Message board as from next Wednesday 16th April...

These three little bears are new to the Dolls House range and measure 1.4 inches. The are `Wilbur` white, `Robin` red, and `Bert` blue. I kept the names simple and matched the first letter to their color!!! To make it easier. We have a few more new dollshouse pieces coming in a couple of months.

`Fumble and Flip` were part of the April ~Tea Party. `Flip` was a free gift (little rabbit) for everyone who participated. `Fumble` the Debs Little Gem piece was available to purchase if you participated in the event and he was limited

To 50 and we may have one left.... As of this minute.

The Tea Party Packages are shipping on the 8th and 9th April.... There are competition and the opportunity to win more prizes..

Fairy Collection

These are the last three of the Fairy collection. They measure 3.75 inches and are each limited to 50. They are in stock and shipping.

Finally, a Happy Easter to everyone. I have the best Easter present. I have my oldest son returning from Iraq this month for a couple of weeks so I am very excited about that... cannot wait to hug him!!!

I am working on the Club Pieces for Club Year 11 which starts on the 1st June... I also have a number of Deb`s Little Gem`s and Dollshouse pieces coming soon.

I am also working on the Convention pieces to 2009 for our convention in Tampa in September. Remember you do not have to attend, we try to make it possible for everyone to participate wherever they are..

I just wanted to include the Year 9 club pieces exclusive to Year 9 members. Everyone leaves it till the last minute to order and sometimes we run out of stock ...thats problematical because we are already making the pieces for the next Club Year—so please help us by getting your Club orders in a bit earlier...if at all possible.....
