She is 7 inches tall and made of mohair and

~Cute Beastie~ is 7 inches tall one of a kind

~Cute Beastie~ is a friend for Beauty and that is how he got his name but I had to put ~Cute~ in front of it because he was too sweet to just be called ~Beastie~. June News

I declare that June is my crazy month... not that most months aren't pretty wild in the Deb Canham organization.

June 1st 2008 saw the start of the 10th Year of the Deb Canham Club. Therefore, we are snowed under with boxes, kits and bears being prepared to be send out to all of our renewing and ~new~

Club members. We have a special offer on at the moment. If you join or renew your club membership you will receive the ~free~ club bear ~Dixon~ BUT you will also receive another gift of one of the ~Oz collection~ pieces from several years ago.

Club Members receive four ~Doodle~ newsletters

~Dixon~ free club bear

during the course of the year and the opportunity to buy any of the `Club Exclusives`. However, it does not stop there.

We know that a lot of our club members are home bound for a variety of reasons and we really try to cater for these people and include them in all club activities.

We have `Tea parties` where collectors can attend and enjoy tea and cookies (biscuits) and play games and win prizes. They are a lot of fun and each person goes home with a `goodie bag` which includes a bear, dollshouse piece, illustration and so on. If you are a club member you can sign up to receive the `goodie bag` even if you cannot attend.

This year we have a very special `Deb Canham Convention` to be held in Tampa, Florida the 3rd-5th October. I have included more information on this at the end of the newsletter. Nothing can beat actually attending the event BUT there is no doubt that some people will never be able to do this so we have arranged for club members to participate at two different levels. We desperately try to give everyone the opportunity to participate—it is no fun being a member of a club if you feel excluded.

~Tuff Knutts~ is a special monster because he is dedicated to my daughter in law Jess. She is about to move with my son to Germany and I know it's a daunting task for her...I also know that she is tough, gritty and beautiful and will cope with it very well. Hopefully ~Tuff Knutts~ will be a support for her.

We try to always release information about new product in the ~Doodle~ to our club members first since some editions are very small. In the first Doodle of this club year, which is just being sent, there is information on a new mouse collection, new dragon, monsters, hot editions and a new bird.

To join our club go to our Club pages and hit ~join~.

The Tea will be held in the ~Feathers Hotel~.

Tele UK 01531 635290 or email shop@applepiehouse.com

The Oz collection 2001

Club members signing up to renew or join our Club this month will receive the free bear `Dixon` and one of the pieces from the above collection.

Left to right top row :- Munchkin boy, Lion, Professor, Goodwitch, Scarecrow, tinman, bottom row, Crow, flying Monkey, Dorothy, Bad Witch, front Queen of the Dormice, Munchkin Girl.

Please note the characters were based on the book not the film. If you have a silver shoed Dorothy she is much much rarer than the red shoed Dorothy. I mistakenly made the early Dorothy with red shoes which of course, is very incorrect. Dorothy only had red shoes in the film because Technicolor had just been developed and they `used` it. Warner Bros were very nice about pointing out my mistake in fact they could not have been nicer.

Onyx

“Onyx” was one of my very very early pieces for DCAD. She was a store exclusive for “Wonderland”, Fort Lauderdale, Florida. She was limited to 35 pieces. Her very highest secondary market prices was \$2000. She Measured 3.75 inches.

I have also done her in a six inch version as an “Inbetweenie” so do not get the two confused. Onyx “Inbetweenie” is pictured right, sitting. She has a longer, feathery mohair.

I have also done some of the “Oz miniature collection” as “Inbetweenies” which are pictured below. They are 7 inches tall and there are just the four of them.

Lastly, look out for opportunities to win free bears on our “Message Board” and if you sign up to receive email regarding our “Deb’s Little Gems” you automatically get your name put in a drawing each month to receive a free “Deb’s Little Gem” piece.

We do not sell direct but can help you with stores in your area please feel free to email or phone. Please note “Club” pieces are only available to order through “Club Stores” - we can help you with that too.
