The club members who have received their kits are thrilled with the Free gift `My Buddy`. There are many more colors than those pictured left. We are unable to cope with individual requests for a particular color but if you wish to have a certain color then please look to swap with others on the Message Board.

Of course, some of you are wanting to add some of the other colors to your collection. Try contacting Club Stores—they might be happy to part with their gift..

Remember that this year we are adding in some more club exclusives during the year.

The first will be `Socat` a Halloween special but you will have to receive a Doodle to find out more about this unusual piece.

## New Dollshouse pieces

The Dollshouse pieces have become a great starter collection.... Pictured left to right back row are:- `Fritz Bunny` 1.5 inches and my favorite in this group, `Goo Goo Golly` 2 inches, `Cracker` 1.45 in, `Dennis Dragon` 1.75 in, (front left to right) `Bingo` a little turquoise ultrasuede bear and `Mac` a tan ultrasuede bear they are both 1.4 inches.

Each of the dollshouse pieces are limited editions and come with a little calico bag and a tag stating their edition number and edition size.

New Dollshouse pieces.

## Deb`s Little Gems

I often give thought as to what is my favorite animal... I love lots of them but I don't think there is a gentler giant than cows!!! I did actually get chased by some once but that is a whole long story. Therefore, I do have a soft spot for `Mud the Cow` who is a small edition of 75.

`Dodger Dragon` - dragons are always cute, is limited to 100. `Tina and Titch` are very small at just 2 inches each and limited to 150.

`Too Twee` is a little grey mouse in a lace dress trimmed with roses and is a particularly small edition at 50 pieces.

September 25,26 & 27th  
Marriot Airport Hotel,  
Tampa Florida.

**If you cannot travel to Tampa to attend the event you can still participate as a non- attending conventioneer. Package B & C**

Our Convention is all about having fun, winning lots of prizes and enjoying great company. We eat well, play well and relax well. Many of the conventioners come back year after year—so you know it has to be good fun. We have a `Sock Animal Workshop` this year and there will be the usual auction.

Please check out our website where I will be putting a link to photographs from last years event....

We truly try to cater for everyone. For those that are able to attend, for those who want to participate as a conventioneer but cannot travel to the event and those of you who would like to receive the `Goodie bag` and all the fun gifts that go in it. There truly is something for everyone and it is a great deal...

Kippoo

We are again returning to the Marriot Airport Hotel because everyone loved the location last year. You arrive at Tampa airport, go up the escalator and you are in the hotel foyer. This means no extra cab rides and you can relax in the hotel prior to your return flight. The staff and food were great.

The theme for this years event is `Safari` which means there will be lots of other animals as well as bears, mice and dragons... Each of the Convention pieces and prizes will have a beautiful African name—

Since so many guests arrive the day before the event we are going to organize an event during the day on Friday. At the moment it looks like the Aquarium but I am trying to organize a safari at Busch Gardens—I just need numbers to negotiate a fair price. The cost of this will be separate to the convention event.
