New `Deb`s Little Gems` for Spring 2010... I love these rabbits.

Jemima le 85 3in

Au Lait le Cutesie le 100 3.5 in

I have been working with these velvets for many, many years now and I still love them.

`Jemima` has a cute little dress with a bunny motif. `Au Lait` is in the buff but he does have teeny tiny white spots on his fur which he was very keen to show off. `Cutesie` is delicate in pinks and cream. `Nihao` is Chinese for `hello`. `Bramble` is a cute little dragon.

'Bunny Boo' is a 3,75 she has a little blue felt dress trimmed with rick rack and a daisy. In her pocket she has a teeny-white bunny. LE

'Trucker' 3.75 in is dressed in blue overalls which have a tiny buses and cars pattern (what a find!!!) he also carries a little BROWN mouse, similar to the white one in the picture. Le

'Camelia' is a really delicate very light pink and white. She has a daisy trim, a blue organza ruffle and blue silk bow. The picture doesn't catch the color as well as I would like. She is 3.75 in and le of

These two 3.75 in bears have contrasting muzzles and inside ears. 'Perry' is a light Aqua color, has a white color and tan silk bow. 'Peachy' is made from a Peach colored mohair. she has a little white cardigan and a blue silk bow. They are both limited to 70.
