Deb`s Little Gems

It has been a while since we launched some `Deb`s Little Gems`. These pieces are made from velvets and therefore are a little easier to afford than the mohair. I love changing between mohair and velvets because of the different effects.

`Dodger` is 2.75 inches short and limited to 100 pieces

`Mud the Cow` is 3 inches short and way too cute.... Le 75

`Tina` (pink for girlie) and `Titch` are just 2 inches short. They are limited to 150 pieces...

I am busy working on the Convention pieces for our event in Tampa, Florida 25, 26, 27th September 2009.

So I hope to have all the information up on that event next month.
